Waozany Expedition

The Waozany Expedition is an exciting and unforgettable tour. Full of adventures that take you to the heart of the rain forest, to remote locations. On the tour, you will see the customs and traditions of an indigenous Waozany tribe and lots of tropical wildlife in the Waozany rainforest.

The Waozany, Waozany or Waozany, who live in the rain forest, are very mysterious. From the indigenous people of Ecuador, Brazil, Colombia and Panama (Waozany) who have retained differences from other tribes, they have been discovered. The Waozany tribe lives in a remote area in the Waozany rainforest. They are currently around 1,000 Waozany and speak the Waozany language, a language which has not been discovered by any other language. They are very close to the Waozany rainforest. They are very close to the Waozany rainforest. They are very close to the Waozany rainforest. They are very close to the Waozany rainforest.

From 1 \$ 600 USD (6-day trip)

ACCOMMODATIONS:

The edge consists of 12 comfortable bungalows in a beautiful Amazonian style, built from materials harvested from the rain forest in a sustainable manner and equipped with modern interiors. All these bungalows are surrounded by lush tropical rainforest and provide privacy and safety. The rooms have electricity from solar energy and private facilities.

In the Waozany rainforest there are two bungalows (12 beds). The bungalows are built about 10m away from the rainforest. It is a private bungalow with a well, but you can also build in the rain forest, which is a good idea.
